ORIGIN

1. Early in November the Communist Administrative Council in Yen-an issued by secret radio an order to all Communist underground workers in Nationalist territory, including Peiping and Shanghai, to vacate Communist areas by 12 November. These workers were to be used as cadres in Communist armies and political organizations in preparation for total war.

2. [REDACTED] is of the opinion that the order would soon reach the ears of the Nationalists who would be sufficiently worried to postpone the National Assembly. Should this be the case, the order would be revoked.
